#### **Overview**

Nominated projects must have been completed within 3 years of nomination deadline. This award is for a jurisdiction with a population less than 15,000.

#### **Criteria**

- **Innovation**. Document how your entry presents a visionary approach or innovative concept to address needs. Explain how the use of the planning process broadened accepted planning principles within the context of the situation.
- **Quality**. Explain how your plan is state-of-the-art in terms of both methodology and presentation. Identify what makes this plan exceptional or how it stands out compared to other plans.
- **Engagement**. Explain how various stakeholder interests were involved and the extent of that involvement. Competitive entries demonstrate a strong effort to solicit input from those who historically have been left out of the planning process.
